## Learning Portal

The IMPACT WV Learning Portal is an online clearinghouse for training and resources to help educate families and providers on the effects of substance use on the family unit and child development. Learn about best practices and strategies to work together to build family supports so children grow up healthy, strong and ready to learn.

### **Families can:**

- Find resources
- Get connected to providers
- Learn strategies for improved health, parenting and resiliency

### **Professionals can:**

- Access resources including community services, tip sheets, checklists and more
- Obtain professional development
- Get connected to other professionals

# The **IMPACT WV** Learning Portal provides additional training to families and professionals.

Topics for the portal include

- Adverse Childhood Experiences (ACEs)
- Adult education and employment
- Addressing Challenging Behaviors
- Child Development
- Family strengthening
- Mental health
- Neonatal abstinence syndrome
- Parent support
- Social services and housing
- Stigma
- Substance use
- More modules will continue to be added
